

Official Postgraduate Studies

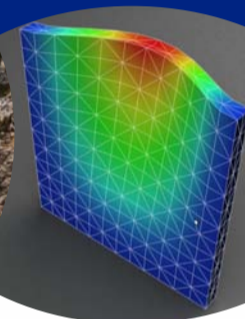

INSTITUTO UNIVERSITARIO
SIANI
INGENIERIA COMPUTACIONAL

- Official Masters giving direct access to doctoral studies
- Opportunity to participate in R&D&I projects
- Scholarships programme
- Practices in research laboratories
- Personalised training plan

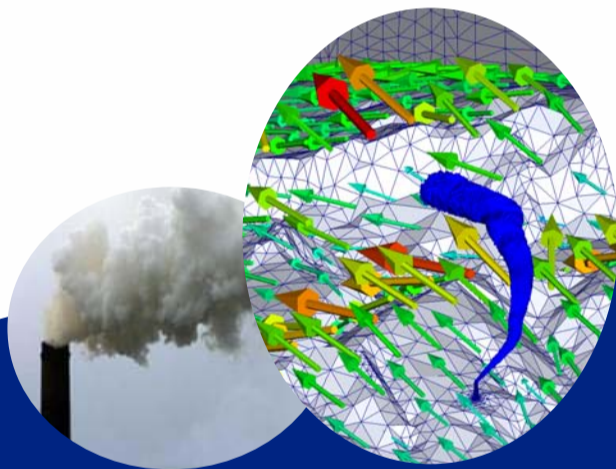

University Master in Intelligent Systems and Numerical Applications in Engineering

- Robotics and computer vision
- Domotics and smart buildings
- Data mining and supercomputing
- Dynamic modelling of structures
- Optimization in engineering
- Renewable energy assessment
- Contamination and fires models
- Risk management

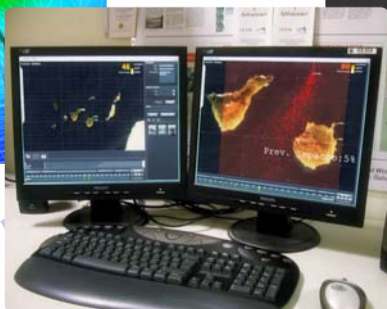

University Master in Energy Efficiency

- Design of efficient systems and installations
- Training in R&D&I project management
- Legislative framework
- Lines of research in the sectors of energy production and management, installations and building

Doctorate in Telecommunications Technologies and Computational Engineering

UNIVERSIDAD DE LAS PALMAS
DE GRAN CANARIA
